

## DAIR Hoarding Recovery Support Group - 2019

### DAIR to be Free!

Centacare's **PACE** service offers a free support group for people experiencing hoarding issues.

The DAIR Hoarding Recovery Support Group provides a safe environment in which to:

- Meet other people experiencing similar challenges
- Share your experiences with people who understand what you are going through
- Learn strategies to help you in your recovery

Anyone over the age of 16 can attend, and you are welcome to bring a support person with you.
